

JUNE 2022

Fairlawn Independent

Fairlawn Retirement Community

Archbold, Ohio

MOO, IF YOU LOVE DAIRY!

National Dairy Month started out as National Milk Month in 1937 as a way to promote drinking milk. It was created to stabilize the dairy demand when production was at a surplus, but now it is an annual tradition that celebrates the contributions the dairy industry has made to the world.

We have two great ways for you to start the summer with nutrient-rich dairy foods. Dairy products like milk contain nine essential nutrients like potassium and calcium which may help to better manage your weight, reduce your risk for high blood pressure, osteoporosis and certain cancers. Whether it's protein to help build and repair the muscle tissue of active bodies or vitamin A to help maintain healthy skin, dairy products are a natural nutrient powerhouse.

On Thursday, June 9th tour Sandland Dairy Farm in Delta, Ohio and enjoy lunch at the Mail Pouch Saloon in Swanton. The bus leaves at 10am, or you can follow along in your car. This tour will be done on golf carts, so there will be minimal walking. Be sure to reserve your spot with Jake (567.444.5102). You can also join us for "Milkshake Monday" on Monday, June 20th at 12:30 in Wyse Commons! No reservation needed. Treats that are nutritious and delicious are the best!

Slowing Down to smell the Roses

Five years ago I joined the Fairlawn team as the Director of Development and Church Relations. After many years of service to the region, I was thankful that God guided me to Fairlawn to close out my professional career.

In July I will retire from Fairlawn, but I won't be entirely gone yet. 😊 In the coming months, I will continue to work part time as a consultant to the community, assisting in continued fund raising and support for transitions in leadership.

The first transition is to welcome Tammy Allison as our new Health Care Administrator. Tamm will join our team in early June. She has served as a licensed nursing home administrator for several years and will be filling the role left vacant with Nancy Beck's retirement. Tammy resides in rural Archbold and holds an MBA in Healthcare Administration/Management from Bluffton University and a Bachelor's degree specializing in Gerontology from Lourdes College. We are excited to welcome her to the team.

I want to thank each of you for your care and support over the last five years. I have truly enjoyed meeting so many of you and serving this community. Fairlawn is truly a special community of friends, family and neighbors. Archbold and northwest Ohio is so lucky to be served by this amazing organization that is built on the Christian faith and principles of love, compassion and service.

THIS IS YOUR COMMUNITY SHARE YOUR VOICE

Village Council meets about 6 times a year and has 3 open seats to be filled in July. All residents are encouraged to consider serving. If you would like to nominate yourself or a friend. A nomination form is included in this newsletter. All nominees will be contacted to confirm their willingness to be on the ballot and to serve if elected. No one is put on the ballot without their approval.

As a council member you're a voice for your community. You have the opportunity to share the insights, concerns and ideas that you or your fellow residents have to ensure that Fairlawn continues to grow and thrive.

Village Council is a great way to get involved and to learn more about the community you are a part of.

BOARD OF TRUSTEES UPDATE

The Board of Trustees meets bi-monthly on the 4th Tuesday of the month. They recently met on May 24th when officers for the 2022-2023 year were elected. Lonnie Rufenacht was elected Chair, Tom Warner Vice Chair, Ruth Kauffman Treasurer, and Karen Walker Secretary. Bonnie Heatwole serves as an advisor to the executive committee as the Past Chair.

Carla Mitchell, Interim CEO completed her first three months and will continue in her role as the board maintains its search for a new CEO with the assistance of Mennonite Health Services.

Staffing continues to be a concern at the Care Center (as it is with all health care organizations throughout the country). Currently Fairlawn is utilizing some temporary staff in addition to our regular staff to ensure resident care.

Fairlawn Haven has received additional government funding to support increased costs that have resulted due to the pandemic and ongoing staffing shortage. This funding has been essential to keeping Fairlawn operational, as current Medicaid rates do not cover the increased cost of daily care for residents that receive this benefit.

The Board confirmed the approval to permanently decrease the size of the nursing home from 105 beds to 99 beds. Currently the Care Center is temporarily operating only 89 beds to ensure quality of care in light of the current staffing shortage..

Annual Fairlawn Inc. Town Hall Meeting Tuesday, July 12, 2022 at 10am in Wyse Commons

VILLAGE COUNCIL MEETING

- Reviewed a possible tree project for the campus and future fundraising/social events. More details to follow in July.
- Current Council Members are: Bev Bettison (419.445.5600), Jerry Griffin (717.719.2244), Gloria Lauber (419.966.6488), Jane Niday (419.583.6375), Joyce Rupp (419.270.2641), Janet Tadsen (419.215.7211), John Trudel (419.445.9985) and Ross Wyse (419.276.1672)

COVID INFORMATION

- From AARP "**CDC strengthens booster recommendation for older Americans.** The Centers for Disease Control and Prevention (CDC) upgraded its guidance to older Americans and those age 12 and older who are immunocompromised from saying that these individuals "may" get a second COVID-19 vaccine booster shot to saying they "should" get a fourth dose. "Over the past month we have seen steady increases in cases, with a steep and substantial increase in hospitalizations for older Americans," says a May 19 CDC statement. "While older Americans have the highest coverage of any age group of first booster doses, most older Americans received their last dose (either their primary series or their first booster dose) many months ago, leaving many who are vulnerable without the protection they may need to prevent severe disease, hospitalization and death. Whether it is your first booster or your second, if you haven't had a vaccine dose since the beginning of December 2021 and you are eligible, now is the time to get one."
- COVID vaccine and booster shots are available through the Care Center. Contact Jake at 567.444.5102 if you would like to be scheduled to get the vaccine or booster at our next clinic.
- If you have tested positive for COVID, please contact our office 567.444.5102 so we can take proper precaution should you need assistance during your quarantine period.
- Visitors to the Care Center are required to wear a mask.

PLEASE DO NOT FLUSH WIPES

- Clogs caused by sanitary wipes that are advertised as "flushable" continue to be a problem.
- Adult and Baby Wipes ARE NOT flushable and can cause significant plumbing issues.
- Please do not flush the wipes. Throw them away to protect the plumbing in your home.

POOL REMINDER

- The pool & spa are closed each Monday from 1:30PM-2:30PM and the first Wednesday of the month from 4PM-5PM for routine maintenance and cleaning.

Fairlawn Campus Guidelines for Trees/Lawns, Ornamental/Flowerbeds/Patios

Guidelines for Mowing, Trimming, Flowerbeds, Ornamental, Trees and Landscaping

Fairlawn Responsibility

- 1.** Make the final decision on the manner and extent of all trimming, mowing, planting and landscaping of the Fairlawn Campus, all entities included.
- 2.** Be informed of any desired changes to the landscaping and flowerbeds in any of the entities before the changes occur. A request for changes should be made utilizing the Project Request Form, available from the Fairlawn Inc. Manager or Project Manager.
- 3.** Service companies outside of Fairlawn Maintenance Department shall not be contracted for grounds care, in any entity by a resident or lessee without prior approval from the Fairlawn Inc. Manager or Project Manager.
- 4.** Any approved contractors will invoice Fairlawn for work completed. Fairlawn will then invoice the resident for the appropriate portion of the accrued cost.
- 5.** In the case of ornamental bushes and trees that have been damaged by acts of nature, Fairlawn shall remove the damaged bush or tree. Fairlawn will provide replacement bushes or trees. Fairlawn will reimburse up to \$30 per bush or tree. All of this will be completed as determined by the Fairlawn Inc. Manager, Project Manager or Maintenance Supervisor.
- 6.** Determine what trees need to be removed, added, pruned, relocated and planted in all entities. Fairlawn shall coordinate and perform all tree care.
- 7.** Maintain flowerbeds around the living unit of a resident or lessee when the resident or lessee is unable to do so. The flowerbeds will be cleared and mulch or stone put around shrubs.

Resident Responsibility

- 1.** Request permission to perform any desired changes to landscaping and flowerbeds in any of the entities before the changes occur. Refer to #2 in Fairlawn Responsibility.
- 2.** Pay for approved changes to existing flowerbeds and landscaping. Refer to #4 Fairlawn Responsibility.
- 3.** Maintain flowerbeds and landscaping which the resident(s) plant(s).
- 4.** Refrain from fertilizing, watering or mowing lawns. All lawn care will be provided by Fairlawn
- 5.** May be permitted to water plants in flowerbed and landscaping in a reasonable manner. A surcharge may be charged in the event of excessive water usage.
- 6.** May be permitted to maintain a flag pole and/or landscape decorations within the flowerbed. Resident will maintain and be responsible for repairs/damage due to but not limited to acts of nature.
- 7.** Report needed repairs or concerns to the Fairlawn Inc. Manager, Project Manager or Maintenance Supervisor.

FOR AFTER HOURS MAINTENANCE EMERGENCIES

call 419.551.2838

after 4:30 pm Mon-Fri and weekends

Safety/Maintenance Emergency Number gets called automatically by the IL Emergency System when a resident pulls a cord or engages their personal pendant. This is for health and safety issues, water or fire damage, incidents in Wyse Commons or the Community Building.

Call immediately in the event of plumbing and roof leaks, lack of heat or AC, no water or no hot water, flooding, broken refrigerator, or no electric service.

These incidents may cause harm to you or damage to the unit and need to be addressed immediately.

THANK YOU FOR YOUR SUPPORT

Fairlawn Haven is working to purchase a new or slightly used van to transport residents to doctors appointments and medical procedures. The current van is over 23 years old (purchased in 1999). The lift to allow wheelchair access is not dependable and the van continues to have mechanical issues. We have received many generous donations, but could still use your help.

Finding a "used van" is looking to be a challenge, but the hunt is on! New vans have a minimum 6 month wait. We are currently looking for the best vehicle for Fairlawn. The van will offer a manual wheelchair ramp that can accommodate all types of wheelchairs. Safety and dependability are imperative to our mission of care.

If you would like to help, we are still in need of assistance.
