

A Luminary Event

*Proceeds support resident care at
Fairlawn Haven Care Center*

Sunday, December 11th Beginning at 5:30pm

On Sunday, December 11th let the lights shine as we honor and remember those we love during this beautiful holiday season. We invite individuals, neighborhoods, churches and businesses to come together and join us as we Light Up the Night with candle luminaries.

(If Dec. 11th doesn't work for you, light them up when it fits your schedule).

You can participate by lining the street in front of your home or business (you can even line your driveway and walkway too). Luminaries should be placed 3-4 feet apart and everyone lights their candles by 5:30pm.

Order Your Luminary Kits by Dec. 2nd
