Fairlawn Independent

Fairlawn Retirement Community

Archbold, Ohio

Welcome to Carla Mitchell, JD Fairlawn Interim CEO

The Fairlawn Board of Trustees is pleased to welcome Carla Mitchell, JD to Fairlawn as Interim CEO for Fairlawn Retirement Community. Carla will be working with the Board and Management Team to move Fairlawn forward for the future while also supporting Fairlawn's commitment to our region today.

Carla began her professional career as an elder law attorney in Memphis, Tennessee. She quickly left the private practice of law, and has held many executive leadership positions with for-profit and not-for-profit organizations in the healthcare and senior living industry. Her current focus is stepping in to help organizations get or stay on track for the future. The daughter of a 22-year United States Air Force veteran, she has lived throughout the US and Europe and continues to travel extensively. Carla loves meeting new people, is dedicated to helping her community members live meaningful lives, and has a particular soft spot for her rescue cat. She has a passion for cooking (and eating) and loves a good card game. Although Carla calls Indianapolis home, she is currently residing at 546 Cardinal Dr. on the Fairlawn campus and looks forward to meeting you.

The Board of Trustees in partnership with Mennonite Health Services (MHS) is continuing the search for a permanent CEO who fits the mission, culture and future of Fairlawn.

*Spring is in
the Air*

*It is time for the grass and
landscape season to begin!*

Fairlawn will once again be working with Custom Turf Solutions of Wauseon to care for our beautiful campus. This is the third season that Custom Turf Solutions has provided lawn care services and they have proven to be an excellent landscape partner.

Custom Turf Solutions provides mowing services and are also responsible for edging/ trimming, spreading fertilizer and insecticides, weed control, and fixing turf trouble areas.

It is a large campus to care for. If you see any trouble areas or have any concerns please contact Jake at 567.444.5102

can you help us get a new van?

Fairlawn currently has two vans to serve residents throughout our campus. The green van used for Care Center medical transport is 22 years old and failing. Many of our Care Center residents are not able to be transported in a traditional vehicle due to their limited mobility and medical concerns. We are beginning a fund raising effort to support the purchase of a new medical transport van as we continue to support the needs of those entrusted to our care. To make this happen, we need your help. Please consider a donation to support the purchase of a new medical transport van for Fairlawn. This van will be primarily used for Care Center resident transportation, but it will also be available as needed to support the needs of our assisted living and independent living residents.

Send to: Fairlawn Haven c/o NEW VAN 407 E Lutz Rd., Archbold, OH 43502.

For more information contact: Mari Yoder at 567.444.5102 myoder@fairlawnarchbold.com.

NANCY ROYNON BECK RETIRES FROM CARE CENTER

- Fairlawn is thankful for the support and guidance provided by Nancy Roynon Beck, Health Care Administrator over the past 3 years. Nancy has worked in health care for over 35 years and is looking forward to time with her husband Neil, and their 21 grandchildren. We will miss Nancy, but wish her much happiness.

TO BE REMEMBERED FOR SERVICE

- On March 21st Fern Schrock passed away at Fairlawn Care Center. She was 101. A longtime campus resident, Fern was the founding leader of the Fairlawn Auxiliary and together with her husband Cephus, was integral in the building and growth of Fairlawn. Fern was a faith filled servant of the Lord in so many ways. She was the first female to be honored as citizen of the year in Archbold. Fern left a lasting legacy of faith, service and care.
- Marv Leatherman, a longtime plumber who served our community for many years, passed away in late February. We are so thankful for Marv's faithful service.
