

FEBRUARY 2022

Fairlawn Independent

Fairlawn Retirement Community

Archbold, Ohio

Winter can be difficult. Cold, wind and ice make it a challenge to get out. Fairlawn is a community of friends and neighbors. We encourage you to reach out to our staff or your neighbor if you need help or if you just need someone to talk to.

Each day make contact with a friend or family member. Listen to music or join us for lunch at Wyse Commons. Don't forget about the warm water pool, exercise room and walking track at Wyse Commons, too. Fairlawn is here for YOU!

Spring will be here soon!

LOOKING FOR GARDEN SPACE?

Do you have a green thumb? When spring comes are you ready to get your hands dirty? Fairlawn is pleased to offer wonderful garden plots for our residents to grow flowers and vegetables. Last year all the spaces were spoken for. Do we need more garden space?

It may still be cold and the ground is frozen, but spring will be here before we know it. In an effort to make sure there are enough spots in our community garden we need your help. Please let us know if you want a spot.

Once we see how much interest there is, we can determine if there is a need to create additional community garden space.

Call Jake at 567.444.5102 if you would like a garden space in our community garden.

NO-- Go to question #2
2. Is this something that can wait until the office re-opens?

(example: locked out of your unit, immediate issue with a room reservation,

We are happy to provide service and care for each of you, however we also have families we care for and need our time and attention.

FOR AFTER HOURS MAINTENANCE EMERGENCIES

call 419.551.2838

*after 4:30 pm Mon-Fri and weekends

Safety/Maintenance Emergency Number gets called automatically by the IL Emergency System when a resident pulls a cord or engages their personal pendant. This is for health and safety issues, water or fire damage, incidents in Wyse Commons or the Community Building.

Call immediately in the event of plumbing and roof leaks, lack of heat or AC, no water or no hot water, flooding, broken refrigerator, or no electric service*

**These incidents may cause harm to you or damage to the unit and need to be addressed immediately.*

CEO SEARCH UPDATE

- The Fairlawn Board of Trustees is continuing the process of a search for a new CEO. Jeremy Kauffman of Mennonite Health Services is working as an interim consultant with the Fairlawn leadership team two days a week. Jeremy has 28 years of retirement community experience and is a licensed nursing home administrator in the state of Ohio.

COVID INFORMATION

- **There will be a COVID Vaccine Clinic on Friday, Feb. 4th at 3pm in the Care Center. If you want to get vaccinated or need a second shot or booster contact Jake for an appointment. 567.444.5102**
- We have seen a significant increase in cases of COVID both on the campus and in the county. Even if you are vaccinated you need to use caution. Please remain vigilant in hand sanitizing and wearing a mask when possible. Protect yourself and your friends. For COVID updates at the Care Center call the COVID Hotline at 567.444.5111. If you have tested positive for COVID please let us know so we can take proper precaution should you need assistance during your quarantine period.

LUNCH AT WYSE COMMONS

- Monday through Friday lunch is served at Wyse Commons. We have been happy to see so many people taking advantage of this service both in person and with meal delivery. In order to ensure that we have enough food to serve everyone that would like a meal, please call at least 24 hours in advance to let us know what days you would like to have lunch. Call 567.444.5101 to reserve your meal.

SLOW DOWN AND WATCH FOR SNOW

- Please remember the speed limit on campus is 15 mph. Many residents use our roads to walk so please be careful. We also know some of the corners are a challenge to negotiate. Please take your time so you don't end up in the mud (or snow).

FOR THE BEST SNOW REMOVAL WE NEED YOUR HELP

- When snow is expected please make efforts to park inside your garage or in your parking space when possible. DO NOT park on the roadway. This will ensure quick and efficient snow removal to provide clear roads and safety for everyone.
- Please note: snow removal begins at the Care Center and assisted living to ensure employee safety when coming to and from work. This is a requirement of the Ohio Department of Health. Snow removal begins for the Independent Living campus and Clover Ln. once the Care Center is cleared. Although we try to clear between cars that are parked, sometimes it can be a challenge. Please be patient and be careful when accessing your vehicle.

HAVE YOUR NEWSLETTER DELIVERED

- If you cannot get up to Wyse Commons to pick up your newsletter you have two options so you don't miss a thing! Call 567.444.5101 to have Tori deliver a copy to your door or you can access the newsletter online through the Fairlawn website. www.fairlawnarchbold.com Click on "News & Events" at the top of the page.

COMMENTS, COMPLIMENTS AND CONCERNS

- You are always welcome to contact our staff members with any comments, compliments or concerns you have. We also have boxes available in the Community Building and at Wyse Commons where you can drop off any information you feel we need to address. We love to hear what we are doing right and also any areas of concern that need to be addressed.

SARA'S GARDEN CLIENTS AND FAIRLAWN'S POOL

- Fairlawn has contracted with Sara's Garden for the use of our pool to assist in therapy for their clients. They will be using the pool every Thursday from Noon-1pm. Please note the pool will remain open for Fairlawn Residents and Wyse Commons members during that time. We are excited to be able to support the important work of Sara's Garden.

FAIRLAWN BEGAN AS A MISSION AND CONTINUES TO SERVE

Fairlawn was founded in 1961 by a group of area churches that saw a need to support the care of older adults. In 1964 Fairlawn Haven opened its doors to our first residents. Our community was built through the generous support of our churches and our community. Today, Fairlawn continues to operate as a non-profit community rooted in Christian belief and values. Caring for others is what we do, but we still need your help to continue our mission of care.

Your gift of support to ensure the ongoing services of Fairlawn is needed. If you would like to learn more about how you can help, contact Mari Yoder at 567.444.5086 or myoder@fairlawnarchbold.com
