TIME WITH TAMMY

Dear Independent Living Residents,

I love the dawn of a new year. I'm one of those people who plan resolutions, goals, the word of the year...I love all of it. The prospect of a new year brings opportunities to reflect on the past year's successes and challenges and then plan ahead for everything the new year holds.

Personally, I have goals for myself. Some are the typical cliché - exercise more and drink more water while others are to read more, write more, and travel more. When it comes to my professional life, I believe goals are important as well to keep oneself on track and forward moving.

I like to read leadership books and always be open to learning and growing. With the leadership team, we will have a strategic goal planning session to discuss our vision for Fairlawn for 2024 and beyond. There is much to celebrate and much to continue to strive towards improvement.

The year 2024 holds our 60th anniversary and master planning. I will keep you updated of the events as we solidify details. Thank you for making my first year as Executive Director one to remember. Whether you are a goal planner or resolution setter, I wish a prosperous year ahead for you!

GETTING TO KNOW THE STAFF

Lisa Vollmer - Assisted Living Director

Lisa Vollmer loves working with people and has been an active member of the Fairlawn team for over 20 years! A graduate of Northwest State Community College, she has a passion for social work and serving the senior community. Her newest project at Fairlawn is working with Tammy and Jake to create a wellness program to support our residents in Independent Living. Fairlawn is working to provide services that will support your ability to remain in your home longer.

Join Lisa on January 17th at 1pm for a FREE Blood Pressure/Vital Sign Clinic. During the clinic information will be shared about the *NEW* Wellness Program that will include personal care assistance, medication management, nursing, pet care and more.

Lisa grew up in Morenci, Michigan and currently lives in Wauseon. She and her husband are proud parents to 2 daughters and a son-in-law. They are doting grandparents who love supporting the grandkids in all they do as well as vacationing. She is passionate about every project she works on both at work and at home. We are excited to have Lisa as our West Haven Assisted Living and Wellness Director.

A Minute with

Morrison

It has been a pleasure this past year getting to know all of you.

We have appreciated your attendance and sense of adventure at our new events!

As we begin our journey into the year 2024, I am happy to announce that alongside the return of the monthly brunch and International Dinners, we are excited to be adding a bi-monthly event entitled **"An Evening with the Chef."**

This event will feature a multi-course meal in a fine dining atmosphere. To ensure this is a special evening, each event will be limited to 20 persons on a first come reservation basis. Because of the nature of the event, the cost for these dinners will be \$20 per person and will feature a different and unique menu every time.

I look forward to the introduction of "An Evening with the Chef" along with our special brunches and International Dinners - other special events to be introduced throughout 2024.

Best Regards,
Stacey Meyers, Morrison Living
