TIME WITH TAMMY

Happy summer! There are so many wonderful things about this time of year. Let's focus on one of them.... the food! According to the Farmer's Almanac, July is National Ice Cream Month in America. President Ronald Reagan officially proclaimed this in 1984 with the Presidential Proclamation 5219 calling ice cream a "nutritious and wholesome food." A few fun Ice Cream Trivia Tidbits...

- Americans eat about 20 pounds of ice cream per person per year
- The favorite flavors in the US are vanilla, chocolate, and cookies & cream

Ice cream is such an iconic part of summer get togethers and picnics. What is your favorite flavor? I personally am not a huge connoisseur of ice cream, but I do love Jeni's Splendid Ice Cream which combines creative flavor combinations. While Jeni's was a small business that originated in Columbus, Ohio, it has grown to include Scoops Shops across the country and pints of ice cream in many grocery stores. My favorite flavor? Goat cheese with Red Cherries...it's like scoopable cherry cheesecake!

It's my hope that you can enjoy some summer fellowship with friends and family and savor some delicious ice cream together while making memories!

Let's Pot Luck!

Bring a dish to share to the Community Building on Independence Day, July 4th, 12:00PM. The Morrison Company and Fairlawn will be donating Burgers & Buns for all who want to join in the fun.

Please sign up at the Community Building or call Amy at 567.444.5103 with your name and dish you want to bring to share.

Come all, come hungry! Happy Independence Day!

WELLNESS CHECK IN WITH LISA VOLLMER

- WELLNESS DIRECTOR

July 16th at 1:00 PM 📍 Wyse Commons

Topic: Valuing Cultural & Generational Diversity

Understand concepts of culture and diversity, while better understanding of the diversity of senior citizens, awareness of the assumptions people commonly make about various cultural groups and how they affect social interaction.

A Testimony of Care and Compassion

“What a blessing the Wellness program has been to our family! In a time of Mom’s increasing struggle with daily activities due to dementia, Mallorie provided daily care to her with kindness and compassion. She was quick to communicate and went above and beyond in helping mom with reminders of daily events/activities, cleaning, and just being a friend and companion to Mom. The Wellness program and Mallorie provided some much needed respite for my sister and me as well as a piece of mind knowing Mom was cared for physically, mentally, and emotionally.”
