GIVING MATTERS

When people think about Fairlawn, they often picture the activities, events, friendships, and care that happen throughout our campus each day. What many may not realize is how much planning, collaboration, and community support happen behind the scenes to help create those meaningful moments.

In my role at Fairlawn, I have the opportunity to connect with residents, families, churches, volunteers, donors, businesses, and community organizations in ways that help strengthen the sense of community we value so much. Whether it's planning events, coordinating volunteer activities, building partnerships, or sharing the stories of our residents, my goal is always to help create meaningful moments and connections that make Fairlawn feel like home.

The photos featured in this article capture just a glimpse of life at Fairlawn — creativity during painting activities, laughter during games and bingo, themed celebrations, and meaningful interactions between residents, staff, volunteers, and community members. While these moments may seem simple, they play an important role in creating connections and enhancing the quality of life.

At the heart of everything we do is people. Thank you for being part of our story and helping us continue to build a community rooted in compassion, purpose, unity, and connection.

Tina Draine
Director of Donor Relations

TIME WITH TAMMY

One of the greatest gifts in my life will forever be the relationships I have had with my grandparents. I remember late night games of Scrabble with my grandma and grandpa long after my parents went to bed. We snacked, debated on questionable made-up words, and shared lots of laughter. The relationship with my grandparents helped foster an appreciation of generational wisdom and authentic connections. We shared so many conversations over the years, and I recall many of those shared moments fondly. One thing my grandpa said several years ago when I was around 10 years old makes me shake my head today and reflect...if only he knew how prophetic his words were. I remember him sitting in his car in our driveway as we were saying our goodbyes and a comment he made about someday cars would drive themselves! Well, in Phoenix, Arizona, you can hop aboard a "Waymo" driverless taxi. When I visited my sister in January in Arizona, I observed several of these driverless cars cruising around the city. It is a bit jarring at first to witness such a sight, and no, I was not brave enough to try one.

This leads me to one of my favorite quotes... "The only constant in life is change." Change seems to scare people. There are always elements of uncertainty and the question of how will this affect me. Change is not always a bad thing. I am one of those individuals who embrace change. Change, if done well, is an opportunity to keep evolving and growing.

On our Fairlawn campus, we are embracing change because we must. If we want to continue to serve our current and future older adult population, we must respond to the present and future needs and desires. This is the core of our Master Strategic Plan which, along with the Board of Directors, I have been working on since late 2023. On Monday, June 8th at 5 pm, we will take another step along the process of our nursing home rebuild/renovation and our Independent Living expansion at the Archbold Village Planning Commission meeting to approve our plans. This will be held at the Village Council Chambers, and you are invited to attend in support of our project. Serving this community is an honor and a privilege, and I look forward to our future together!

Be Prepared for TORNADOES

As we are in **Tornado Season** we want to offer a few recommendations to **be prepared**.

When a **tornado watch** or warning has been issued seek shelter at the **following locations**:

- ➔ **Duplex Resident:** one of the 11 duplexes with a basement
- ➔ **USDA:** the most inner room of your apartment or one of the 11 duplexes with a basement
- ➔ **Haven Apartment:** seated on the hallway floor with your head down
- ➔ **Wyse Commons:** the men's lockerroom or one of the 11 duplexes with a basement

Recommendations for Severe Weather Alerts:

Download the FEMA App to receive real-time weather alerts.

Purchase a weather radio—the link provided is a recommended one from Amazon <https://a.co/d/0xj4EaT>

Scan QR Code for FEMA Android App

Scan QR Code for FEMA Apple App

Come all, come hungry! ★ Happy Independence Day!

Fairlawn Campus Updates

Project Manager Update

- Continuing partnership with Custom Turf Solutions to maintain, enhance, and refresh campus lawns and landscaping
- Coordinating with Archbold Wastewater and additional contractors on sanitary sewer repairs
- Working with local contractors to address building damage resulting from March's windstorm
- Collaborating with the maintenance department to ensure completion of unit refreshments
- Maintaining proper communication with our maintenance staff to ensure completion of daily tasks for our IL residents

Capital Improvement Projects:

- Installation of new furnaces and AC units
- Repair and replacement of concrete roads and driveways
- Upgrades to handicap-accessible doorways
- Replacement of various landscaping beds
- Updates to road signs and posts
- Freshen up hallway lighting in Wyse Commons

FOR EMERGENCY MAINTENANCE

call **419.551.2838**

Call immediately in the event of **plumbing leak, roof leaks, lack of heat or AC no water or no hot water, flooding, broken refrigerator, or no electric service.**

These incidents may cause harm to you or damage to the unit and need to be addressed immediately.

The sooner an issue is reported, the sooner it can be addressed.
