If you wish to donate an item(s) to be sold at the Wyse Commons sale, please, call Jake for the garage code to the space designated in one of our Wyse Commons garages. Donations can be dropped off there from now until the sale! All proceeds from the Garage Sale will go to Village Council where the funds are used for improving campus-wide handicap accessibility and offsetting the 2026 Resident Christmas Party costs.

GIVING MATTERS

BIG NEWS AT FAIRLAWN: A NEW BUS IS COMING!

We are excited to share some wonderful news!

Because of a special grant and the generosity of our community, Fairlawn will be adding a new bus to serve our residents.

This new bus will be an expansion vehicle, adding to our current transportation—not replacing it. Our existing bus remains safe and continues to serve residents well.

We initially set a goal of raising \$125,000 to fund an additional bus to expand transportation options for appointments, outings, and special events. At the same time, we pursued a grant opportunity through the state.

As we worked through the grant application process, we learned that it includes specific bus models with:

- Enhanced accessibility
- Updated features
- Long-term durability

These requirements increased the overall cost beyond our original plan.

Through the grant and generous donations, we have secured \$194,000 toward this project! This allows us to move forward and purchase a high-quality, accessible bus that will serve our residents for years to come.

THANK YOU! We are truly grateful to everyone who made this possible!

Because of you, we continue to live out our mission to promote and enhance the quality of life of every resident in our community.

TIME WITH TAMMY

As the seasons shift and the first true signs of spring begin to emerge, there is a noticeable difference in the air and our spirits. After the quieter stillness of winter and the stretches of days with gray skies, the warmer sunshine, budding trees, and yes, even the now stretches of days with rain showers offer a simple yet important reminder that renewal is always possible.

Here at Fairlawn, spring brings a special kind of energy. This is a wonderful time to reconnect with one another, nature, and the warmer weather routines that bring you joy.

Linger a little longer on your walk and take time to say hello to others out and about. Take part in one of the many activities on campus. Jake and his team work hard to creatively come up with fun, interactive opportunities for socialization and wellness.

What makes the community of Fairlawn so special is our residents- each of you bring something unique to our campus. Your presence, perspective, and participation are what make this community so remarkable.

Thank you for being a part of the Fairlawn community. Wishing you a bright and refreshing spring!
