A Milestone for Tomorrow: Building with Purpose

What a day to remember! On September 16, **more than 200 guests** gathered at Fairlawn to celebrate a milestone years in the making—the official groundbreaking for our new long-term care neighborhoods.

Residents, donors, community leaders, Board members, campaign volunteers, staff, and project partners filled the tent as we celebrated Fairlawn's past, present, and future. The afternoon included remarks from Fairlawn and campaign leaders, recognition of those who have helped make this project possible, a closing prayer, and the much-anticipated ceremonial turning of the dirt.

One especially meaningful moment connected Fairlawn's past and future, as Alva Roth, who participated in Fairlawn's original groundbreaking 64 years ago, joined us once again for this milestone.

The project will create **36 private replacement rooms**, each with a private bathroom and shower, within two new long-term care neighborhoods. We also celebrated the continued momentum of the **Fabric of Life Campaign**, with **more than $6.6 million raised toward our $10.2 million goal.**

Now we get to watch the vision take shape! As construction moves forward, we appreciate our Independent Living residents' patience as parking and campus access may temporarily change.

Interested in being part of what comes next? If you would like to learn more about the Fabric of Life Campaign or make a gift, please contact Tina Draine, Director of Donor Relations & Church Connections, at 567-444-5080.

Thank you for celebrating this milestone with us as we continue Building with Purpose.

TIME WITH TAMMY

A New Chapter Begins: Construction Is Underway

After months of planning, conversations, decisions, and anticipation, we are excited to share that construction of the nursing home updated neighborhood is beginning! This is an important milestone for our community—and one that represents much more than bricks, walls, and new spaces. It represents our commitment to creating a community that continues to grow, serve, and meet the needs of current and future residents for years to come. As we begin this next chapter, you will see more activity around campus. There will be construction equipment, workers, deliveries, temporary changes in parking and traffic patterns, and, at times, noise and inconvenience. We know that construction can be disruptive, and we appreciate your patience and understanding as this important work takes place. One of the things that makes our community special is the sense of belonging that exists here. This project is another step in strengthening that community. Our staff are an important part of this journey. They are the people who care for our residents, serve meals, maintain our campus, provide activities, answer questions, solve problems, and make this community feel like home. Their commitment, along with the support of our residents and families, is what allows us to move forward with confidence. We also recognize that change can bring mixed emotions. Some residents may feel excited about what is coming, while others may have questions or concerns about how construction will affect their daily routines. Both are understandable. We will do our best to communicate what is happening, provide updates as plans develop, and listen to your questions and concerns along the way. There is an old saying that great things are built one piece at a time. That feels especially appropriate as we begin this project. Every person in our community has a part in this next chapter. Our residents, families, board members, staff, contractors, and community partners are all contributing to something that will extend well beyond the construction period. We ask for your patience when things don't go exactly as they normally do, your grace when there are unexpected changes, and your enthusiasm as you watch the project take shape. Construction may change our surroundings for a season, but the purpose behind it is lasting: to strengthen our community and build for the future. We are excited to take this next step together. Thank you for being part of our community and for helping us make this new chapter possible. The best is still being built.

Grief over the Holidays

by Kim Bostelman, Elara Hospice

The holiday season can be a joyful time, but it can also bring feelings of sadness and grief, especially for those who have lost someone they love.

Plan to attend this informative program on Oct. 7th at 1 pm at Wyse Commons.

A safe place and caring space to share, listen and find encouragement as we navigate the holidays together.

All are welcome.

Fall Landscape Update

Keeping Our Campus Beautiful All Season Long!

Fall Landscape Trimming

Expect Custom Turf Solutions to begin trimming landscapes early to mid October. This trimming will be light, Rose of Sharon and Rose Bushes will be trimmed this round. Be sure to get a sign out if you do not want certain shrubs or landscape beds trimmed.

Leaf Pick Up

Custom Turf Solutions will be responsible for our fall leaf pickup. Some trees shed their leaves quicker than others. It is inefficient to have Custom Turf Solutions here every day, so we ask for your patience during this time.

Spider & Ant Prevention

In mid October, Custom Turf applied a pesticide around each home on campus to prevent spiders and other insects from seeking shelter in your homes this fall and winter.

Snow Removal

It is crazy to believe snow may fly next month but it is true. This season, Custom Turf Solutions will be handling all snow removal on campus involving roads, driveways and parking lots.

Halloween Theme GOLF CART PARADE

WEDNESDAY, OCTOBER 28TH • 3:30 PM

We encourage you to decorate your ride in a spooky, silly way to celebrate Halloween traditions. Scooters and Bicycles are welcome to join in the parade as well. Those that decorate for the occasion will be in the running for **BEST IN SHOW**. Winner of **BEST IN SHOW** will get the honors of being the Grand Marshal for the next Golf Cart Parade!

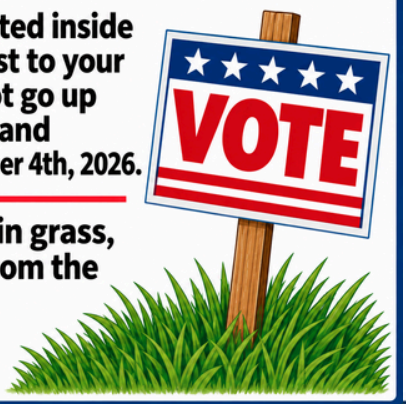

We encourage the campus community to invite family, friends and especially their children, grandchildren & great grandchildren to come watch the parade. Be sure to bring a bucket for all the candy!!

★ Fairlawn Political Sign Policy ★

Political signs are permitted inside the landscape area closest to your home only. Signs may not go up before October 3rd, 2026 and must be removed by November 4th, 2026.

Signs cannot be placed in grass, landscape areas away from the house, near the road or in public areas.

BE PREPARED FOR FALL AND WINTER FLU SEASON.

The Fulton County Health Department will be holding an influenza (flu) vaccine clinic at Wyse Commons

Thursday, Oct. 22nd
beginning at 1:00PM going to 2:30PM.

If you have Medicare or Medicaid your shot is **FREE.**
Many insurance plans also provide **FREE** Flu Shots.
Bring your Medicare or Medicaid card and any other supplemental insurance card.

Stay Healthy This Season!

FULTON COUNTY HEALTH DEPARTMENT

You do not need an appointment!
Come to Wyse Commons and the staff of FCHC will be here to help.

★ ELECTION DAY IS NOVEMBER 3 ★

NEED A RIDE? UNSURE WHERE TO GO?
