A Milestone for All of Fairlawn

September will mark an exciting and historic moment for Fairlawn Retirement Community as we officially break ground on our new long-term care neighborhoods - and we hope our Independent Living residents will be there to celebrate with us!

One of the greatest benefits of living at Fairlawn is being part of a community that can **support you through changing needs** and different seasons of life.

For many of us, the people receiving care in the Care Center are our **friends, neighbors, spouses, & family members.**

Knowing that quality care is available right here on the Fairlawn campus provides an important **sense of security** for the future

This groundbreaking is truly a celebration of our entire Fairlawn campus and the community that has supported our mission for more than 60 years!

Please RSVP Email: rsvp@fairlawnarchbold.com OR leave a message at 567-444-5119

Reminders

HOSE & SPIGOTS

Don't forget to shut off your hose when finished watering your plants. Even a small drip can add up on the water meter. Please be mindful this fall as you water plants or trees to not let your water spigot run. Anyone using excessive amounts of water are subject to additional surcharges.

AIR CONDITIONING

If you are running your AC, try to keep your windows closed to be most efficient.

CORRAL

Be sure to read the sign when dumping back in the corral. There is a bay for GARDEN TRIMMINGS and a separate bay for TREE TRIMMINGS. The village will not take the tree trimmings if garden trimmings are mixed in.

NO PARKING IN THE GRASS

Fairlawn takes great pride in keeping the lawns beautiful, parking in the lawns deteriorates the grass and leaves ruts that are unattractive and difficult to repair.

EXCITING CHANGES ARE BREWING AT THE WYSE COMMONS CAFÉ!

We're excited to announce that starting Monday, October 5th, we will be launching our newly expanded Café offerings! This will bring even more fresh, delicious, and convenient dining options to our Independent Living residents—and now, to the surrounding community!

While you'll still find the familiar welcoming atmosphere you've come to enjoy, our Café is expanding its menu to feature a monthly rotating selection of freshly prepared, made-to-order meals. Each combo meal includes an entrée, side, dessert, and beverage for just **\$10.**

Guests can look forward to a variety of favorites such as:

-  Fresh soup and sandwich combinations
-  Signature salads
-  Made-to-order wraps
-  Crispy chicken tenders
-  Fresh fruit
-  Cottage cheese
-  And many other seasonal specialties throughout the year

Unlike our Care Center menus, these Café offerings are designed to provide even more variety and freshly prepared options made specifically for Café guests.

The Café will continue to welcome Independent Living residents while also opening its doors to members of our local community. Whether you're stopping by for lunch with friends, meeting family, or simply looking for a fresh, affordable meal, we hope you'll make the Café one of your favorite destinations.

During this soft opening, we'll be fine-tuning our menu and operations as we prepare for future growth. To help us provide the best possible service, we kindly ask that orders continue to be placed ahead of time whenever possible.

We look forward to serving you and can't wait to share what's cooking each month!
