

JUNE 2021

Fairlawn Independent

Fairlawn Retirement Community

Archbold, Ohio

THE ONLY CONSTANT IN LIFE IS CHANGE

It has been said that there are only two directions, forward or backward. Fairlawn has been moving forward for over 57 years. Change can be difficult and take time to appreciate, or at times it can be welcomed as a breath of fresh air. COVID brought about a lot of change. For some it brought a time of reflection and time to reset. For others it was a time of loss and challenge. However, for everyone it created change. Fairlawn has also experienced many changes over the past year (more accurately over the last 57 years). We continue to learn and grow and look forward to the future.

Beginning June 2nd, masks will no longer be required in Wyse Commons and guests. Silver Sneakers classes both for land and water are set to resume (see schedule inside). We are excited to be able to allow more people to join in on activities and for families and groups to once again enjoy the Wyse Commons Gathering Space and the Community Building.

The Care Center and Assisted Living are now permitted to reopen for indoor and outdoor visits. To schedule a visit you can call 567.444.5110 for the Care Center and 567.444.5092 for Assisted Living. Note: all visits must be scheduled at least 24 hours in advance. Unfortunately, one thing that hasn't changed is that COVID is still around. This means that visitation options could change abruptly. To learn the current status of visitation you can call the Fairlawn COVID Hotline at 567.444.5111.

Something that hasn't changed over the years is the commitment of the Board of Trustees, the leadership team and the employees to each and every resident. As the Board of Trustees is establishing a search for a new CEO, Fairlawn is being led by a team who are committed to you and to the success of Fairlawn. The leadership team is working under the guidance of the Board of Trustees.

Leadership Team Members:

Nancy Roynon Beck, Licensed Nursing Home Administrator, 567.444.5083

Todd Moore, Director of Business Administration, 567.444.5089

Lisa Bratton, Director of Ancillary Services, 567.444.5065

Jake Clapp, Independent Living Manager, 567.444.5102

Mari Yoder, Director of Development, 567.444.5086

Kari Dominique, Director of HR, 567.444.5090

Nona Rupp, HR Consultant, 567.444.5090

Vicki DeTray, Health Care Consultant to the Care Center, 567.444.5058

Stacey Stratton, Director of Nursing, 567.444.5054

The Board will be providing updates on the CEO search to your Village Council as they become available. If you have any questions or concerns you are welcome to contact the leadership team.

BOARD OF TRUSTEES UPDATE

The board meets regularly and reviews the overall operations and COVID response efforts. Currently the Board and Leadership team are working to move forward some significant capital repairs to the Care Center that had been postponed during the pandemic. Currently, the board is addressing roof repairs for the Chapel building and North Hall (the oldest section of Fairlawn Haven). COVID has put significant strain on Fairlawn Haven's operations and it is impacting needed projects. The board recently approved a fund raising effort to support the needed roof repairs and assist with other capital repair projects.

Fairlawn Haven began as a mission when church leaders saw a need to serve the elderly. Today Fairlawn has grown to be much more, but the core mission of Fairlawn Haven Care Center continues to be serving those who can no longer care for themselves. Our Care Center handles many medically complex issues that individuals and families can no longer manage in their homes. Some of these issues require a short term stay, while others require long term care. Many of our area churches and individuals stepped up to make Fairlawn a reality. The need for support from our churches and community members continues. The Board of Trustees is committed to continuing Fairlawn's mission of compassionate care provided with dignity and respect.

Board Members: Chair-Bonnie Heatwole (Lockport); VP- Lonnie Rufenacht (Crossroads); Treasurer - Ruth Kauffman (Tedrow); Secretary - Karen Walker (St. John's Christian); Past Pres.-Kevin Morton (Archbold United Methodist); Lori Frey (North Clinton); Doug Kauffman (Central); Tim Wagler (Zion); Tom Warner (Archbold Evangelical)

*after 4:30 pm Mon-Fri and weekends

Safety/Maintenance Emergency Number gets called automatically by the IL Emergency System when a resident pulls a cord or engages their personal pendant. This is for health and safety issues, water or fire damage, incidents in Wyse Commons or the Community Building.

Call immediately in the event of water and roof leaks, lack of heat or water, flooding, or no electric service*

**These incidents may cause harm to you or damage to the unit and need to be addressed immediately.*

CAMPUS IMPROVEMENTS ARE STARTING SOON

We need your help! This summer we will be working on several projects to keep enhance our community. You will see large trucks and construction workers as we start work to replace duplex roofs and perform needed sidewalk and catch basin repairs. Please use caution when you are driving, walking and biking around the campus. There will be safety cones and tape to alert you of areas that are being worked on.

A Code Red alert will be sent to you when the projects begin so you are prepared for the workers and equipment. Each resident who is getting a new roof will be contacted personally as to when the work on their particular unit will begin and what to anticipate with the project. We understand that some of the traffic and noise will be an inconvenience, but it is necessary in order to maintain our beautiful campus. Thank you for your patience and understanding.

Is the Care Center Open for Visitors?

As of May 26th the Care Center and Independent Living are open for visitors. However all visits must be scheduled at least 24 hours in advance and all guests must follow Fairlawn COVID guidelines which include wearing a mask when in the building. The website has a complete list of guidelines for visitors. www.fairlawnarchbold.com. To schedule a visit call 567.444.5110 for the Care Center and 567.444.5091 for Assisted Living.

RV/Trailer Parking on Campus

This is a reminder to please be courteous and refrain from parking Trailers/Campers or RV's in the driveway of your duplex home for more than 24 hours. Trailers/RV's and Campers make it difficult to safely back out of driveways and can present a dangerous situation for drivers and pedestrians. We appreciate your cooperation.

IS YOUR EMERGENCY CHECKLIST UP TO DATE AND EASY TO FIND?

To protect yourself and help emergency crews please be sure that your emergency checklist is up to date in an easy to find location.

- The list should include important medical information, medications and contact numbers for each resident in the duplex.
- It should be kept in a labeled folder on top of your refrigerator.

Fairlawn has educated Archbold EMS providers that each unit should have a folder with pertinent medical information important to your care and that it can be found on top of the refrigerator.

- A new form is included in this newsletter or extra copies along with a new folder are available at Wyse Commons should you need them.

AQUA FITNESS & SILVER SNEAKERS CLASSES ARE BACK

BEGINNING JUNE 1ST!

SilverSneakers is helping you defy the odds, shatter stereotypes and answer every challenge with, "I can do this!" We make getting fit just about excuse-proof. Classes are offered for a variety of fitness levels, beginning to intermediate. YOU CAN DO THIS! Classes are 30 minutes long. Available at no cost for adults 65+ through select Medicare Advantage plans.

**If you do not have coverage through your current plan, please contact Fusion Training and Nutrition at 419-445-4000 for options available to you.*

Silver Sneakers Splash: Tuesday or Thursday from 8:30-9am A fun, shallow-water exercise class that uses a signature splash-board to increase movement and intensity options. Splash is suitable for all skill levels and is safe for non-swimmers. The pool provides many benefits when used for aerobic exercise and resistance training.

Silver Sneakers Circuit: Tuesday & Thursday 9:30-10:00 am The SilverSneakers Circuit workout offers standing, low-impact choreography alternated with standing upper-body strength work with hand-held weights, elastic tubing with handles and a SilverSneakers ball. A chair is available for standing support.

Silver Sneakers Classic: Tuesday & Thursday 10:30-11am The SilverSneakers Classic workout is designed to increase muscle strength, range of movement and improve activities for daily living. A chair is used for seated exercises and standing support and class can be modified depending on fitness levels.

TO REGISTER FOR SILVER SNEAKERS CLASSES CALL FUSION 419.445.4000

FCHC AQUA FITNESS: Monday & Wednesday 9am-10am A shallow water class that works on cardio and balance using fun moves, noodles and boards. Classes are \$20 per 4 week session for Fairlawn Residents and \$30 per 4 week session for Non-Resident Wyse Commons Members.

7 "NATURAL" WAYS TO REPEL RABBITS FROM YOUR GARDEN

SOURCE: PREMEDITATEDLEFTOVERS.COM

1. Scatter hair clippings.

Rabbits detest the smell of human hair and it can actually cause them to fear that a human is nearby. Sprinkle hair clippings around your garden which can help scatter the scent and as a bonus, will also help feed your soil! You can also use pet hair for this trick if you don't have human hair clippings

2. Plant repelling flowers.

It is believed that rabbits detest the scent of both alyssum and marigolds and can keep rabbits away from your plants. Plant these flowers around the borders where rabbits would typically enter into the space. There are some more plants that repel rabbits.

3. Scatter snakes.

Not real ones of course, but fake! Get some rubber snakes from the dollar store and scatter them into the garden. Rabbits don't care for snakes and will hopefully hop into another yard. Just don't forget you added the snakes and give yourself a scare.

4. Make a little noise.

Place a wind chime or some cans on a string so that when the wind blows there is noise made. Rabbits are sensitive to noise and should they hear even the slightest sound will run. This might even scare them from coming back.

5. Don't provide cover.

Keep your garden a wide open space. Do not have areas in the garden where rabbits can hide (such as woodpiles) as this makes them feel safe and more welcome. Keep the space open so they won't look at it as inviting.

6. Use chicken wire.

Chicken wire is a cheap and effective way to guard your plants. Just wrap the chicken wire around the garden to act as a fencing and protect what is inside. Be sure you bury the bottom of the wire several inches into the ground so rabbits can't slip in under it.

7. Protect plants with netting.

One final solution may be to use netting to protect your plants. Often times you can find thin, nearly invisible netting that can go right over plants and protect them from animals who would love to nibble. These nets are lightweight, and there is no concern of them crushing or weighing down plants.
