for emergencies* (after hours only)

call 419.551.2838

*after 4:30 pm Mon-Fri and weekends

Safety/Maintenance Emergency Number gets called automatically by the IL Emergency System when a resident pulls a cord or engages their personal pendant. This is for health and safety issues, water or fire damage, incidents in Wyse Commons or the Community Building.

**Call immediately in the event of water and roof leaks, lack of heat or water,
flooding, or no electric service***

**These incidents may cause harm to you or damage to the unit and need to be addressed immediately.*

WHY IS IT TAKING SO LONG?

Although many of the daily limitations of COVID are gone, Fairlawn, along with the rest of the country, is experiencing supply shortages of basic items needed to do home and appliance repairs. We are struggling to find building materials and supplies and when we do, the price has increased significantly. Our maintenance team is doing all they can to make sure that you are taken care of. Sometimes this means we can only perform a temporary repair until needed parts are available.

We appreciate your patience and understanding as Fairlawn works to find repair parts, new appliances, floor coverings and other materials needed each time we prepare for someone new to join our campus or work to fix items for you. We anticipate this challenge to continue for the foreseeable future. Fortunately, Fairlawn had some parts stocked ahead and we have an amazingly talented and creative maintenance team. We are concerned as we move forward that there may be delays. We want to assure you that Fairlawn is working diligently to secure needed supplies and to serve you as quickly as possible.

Although they are advertised as "flushable" most wipes will clog your pipes. Please be cautious when using any type of wipe in your bathroom. If possible dispose of them in the garbage instead of the toilet. If you do have to flush, please flush twice to help ensure they make it through the system.

We are looking for Volunteers to help at Wyse Commons

Front Desk Volunteers welcome people as they enter Wyse Commons. Help is needed Monday through Friday from 9:00am-12:00pm

Cafe Volunteers serve lunch, assist with after lunch clean up, serve ice cream and take payment for coffee, pop and goodies. Call 567.444.5101 for details.

(Volunteers receive a free lunch ticket for each time they work)

Join us for a safe and supportive session in a confidential setting that will enable you to explore the grief process and gain knowledge and insight of useful coping skills.

**This is a new program,
facilitated by the Chaplain of Elara Caring
Friday, July 16th - 10am WC Library**
